REPORT OF SUPERINTENDENT

District's Superintendent Report

For Colleton County School District, the 2010-2011 school year can be deemed as nothing less than successful. Our faculty and staff have remained true to their commitment and calling – to meet and facilitate the educational needs of all students.

The district is continuing to realize improvements in all areas. Initiatives such as content area curriculum facilitators, district non-negotiables, common assessments, benchmark assessments and PBIS are integral to the improvements. Elementary and middle school PASS scores revealed academic growth for all subsets. Of the district's 10 schools, four met AYP and four schools only missed one or two targets. In August 2010, we celebrated the completion of Forest Hills Elementary School. The three year project has resulted in a new facility that has adequate computer labs, space for related arts, Smart Boards in all classrooms, and a state of the art media center.

The district is committed to its Enhancing and Sustaining Professionalism (ESP) Program. Continuous professional development is provided to enable all teachers to be highly qualified and highly effective. This ensures that all students can receive a rigorous and relevant learning experience to enable them to be productive citizens when they graduate. Teachers are taking responsibility for their personal professional growth as evident to the increase in the number of National Board Professional Certified Teachers.

Colleton County School District is committed more than ever to keeping all stakeholders abreast of news and special events. We have adopted as our theme "TEAM COLLETON: Making a World of Difference to Make a Different World." TEAM COLLETON is not just the students and staff that enter the buildings on a daily basis. It is also the parents, community members, and businesses who believe in and support the school district. We appreciate your support and trust as we remain true to our mission to ensure that all students meet or exceed state standards in preparation to become productive citizens.

Leila Williams, Superintendent
